

FEDERAL BY-ELECTION

BE INDEPENDENT - VOTE 1 - DR. RUFF

To the Electors of the North Sydney electorate.

Voting at the bi-election for the electorate of North Sydney on 5th. December is a special responsibility, as the successful candidate will determine the way forward for the electorate for many years to come.

This is a time of considerable uncertainty and so it is time for a strong and knowledgeable candidate with special leadership and decision making skills. A candidate who will commit to working for the electorate and the nation.

Such a candidate, standing as an independent is Dr. Stephen Ruff who has been a tireless worker for the community of North Sydney particularly for betterment in health delivery and health services generally. During the years that I have known him, he has given selflessly to the preservation of the public hospital system and academically to the further advancement of Royal North Shore Hospital as a teaching hospital leader in the region. His efforts in these activities have shown enhanced leadership and clear intellect

He would I am sure put some basic common sense to work on the concerns of the electorate in parliament for that is how he approaches everything, he is a very clear communicator.

I recommend that you strongly consider giving your support to Dr Stephen Ruff and am sure that he will reward you with full value for your vote .
